

Accelerated Bachelor's/Master's Degree (4+1)

Del E. Webb School of Construction

The joint degree program gives undergraduate students who wish to pursue a Master's degree and complete it in one additional year of study, the flexibility of taking graduate courses in their senior year and of initiating their thesis research as early as the summer at the end of their junior year or during their senior year.

Requirements: Students must be enrolled full-time for a minimum of 2 semesters in Construction BS program, have a minimum of 75 credit hours of coursework applicable to Construction BS program, and have a 3.2 or higher cumulative GPA. Students applying to the joint degree program are not required to take the GRE (Graduate Record Exam).
