

**Civil, Environmental & Sustainable Engineering
Application for Joint Degree Program**

Preliminary Plan of Study

Please fill in your junior year courses, which design and technical electives your plan to take your senior year, and your graduate level courses. Choose your graduate courses from the CESE Website for your Specialty Area: <http://engineering.asu.edu/graduate/ces>. You must put the graduate course number on the PPOS. If you are choosing a CEE 598 course, type in the name of the course as well. Please type in your selections.
