

**Accelerated Bachelor's/Master's Degree (4+1)
Civil, Environmental, and Sustainable Engineering**

The joint degree program gives undergraduate students who wish to pursue a Master's degree and complete it in one additional year of study, the flexibility of taking graduate courses in their senior year and of initiating their thesis research as early as the summer at the end of their junior year or during their senior year.

Requirements: Students must have completed a minimum of 90 units of credit towards their Bachelor's degree, and have a 3.2 or higher cumulative GPA. Students applying to the joint degree program are not required to take the GRE (Graduate Record Exam).

STUDENT INFORMATION (PLEASE TYPE OR PRINT LEGIBLY)

Date: _____ ASU ID Number: _____
Student Name: _____ Phone: _____
E-Mail Address: _____
GPA _____ Total Credits: _____

Degree:

- MS (Master of Science)*
This degree requires you to complete 30 credit hours and a thesis, applied project or written comprehensive exam.

**Speciality Area
(check one):**

- Environmental Engineering
- Geotechnical Engineering
- Hydrosystems Engineering
- Structural Engineering
- Sustainable Engineering
- Transportation Engineering

APPLY ONLINE AT WWW.GRADUATE.ASU.EDU

- Pay application Fee
- Upload Personal Statement:
 - o Students must provide a personal statement on their goals and objectives in applying for the joint degree program

ATTACHMENTS REQUIRED (SUBMIT THE FOLLOWING DOCUMENTS TO THE ADVISING CENTER IN CAVC 437)

- Paper Application (this form)
- Pre-admission Credits Form
- Three names and emails of recommenders:
 - Must be from departmental faculty attesting to applicant’s readiness for the graduate program and probable success in completing it
